

Issaquah Highlands YWCA

930 NE High St, Issaquah, WA, 98029

Follow the orange arrow to pull into the loading area.

Follow the green arrow to park in the YWCA garage (spaces may be limited on Saturdays)

The Issaquah YWCA is at the corner of High Street and Highland Dr NE. The best approach is from 10th Avenue (1 block east of Highland Dr and parallel). From 10th, turn left to head west on High Street. There is a turnout **A** for loading and unloading on High St. One of our facilitators will be at the loading area to help direct you and watch your belonging as you move them to the classroom. We will mainly be using the Lower Community Room **B** which is closeby. Parking is available in a lot **D** directly across from the building at the southeast corner of High and Highland Dr (we have been told the movie theatre is okay with it during the day). There is also parking in the covered resident's garage accessed by turning right on Highland Dr from High Street, then making the first right into a private drive and going ½ block **E**. We will have the locked door open, leading from the garage to the small park area to the south of the building. If both parking **E** areas are full, we can also use the movie theatre parking **F**. You can also park along the street **G** or in the Park and Ride **H**. If we are using the Commons Room **C**, it will be up a sidewalk with a slight grade, to the north of the loading area and immediately adjacent to the garage. Cafes and grocery stores are available within a few blocks.
