

### **Dimensional Leaves:**

Heidi will lead you in the discovery of dimensional leaves. We will start by preparing our background fabric and then move on to creating 3-D leaf components using all different types of fabrics and threads. Next we will compose an art quilt using leaves, fibers, beads and buttons. This class is for the intermediate sewer who is comfortable with free motion techniques on their sewing machine. Much of the Process work is done in class and the final composition may be completed at home if time does not allow. As seen on Quilting Arts TV, the cover of Quilting Arts '07 calendar and published in Sulky's Supplement Stabilizer and The Quilting Arts Book.
